5. An exhibitor may identify up to three animals, but only exhibit one at the county fair. It is recommended for the welfare of the goats that, ideally, they be raised in groups of 2-3 head. This allows goats the opportunity to interact with each other in a more natural production environment.

9. All goats are to be broke to lead and shown with a collar, chain, halter, or collars with short leads.
10. The Bottle Goat class is to be fun for the exhibitor as well as a learning experience. The exhibitor will be asked to attempt the following showmanship tasks:
 - i. Will be asked to set the goat
 - ii. Will be asked to move the goat about the ring
 - iii. Keep goats between themselves and the judge
11. All exhibitors will receive a ribbon for their efforts and participation.
12. Goats will be released Sunday, July 25 at 5:30 pm.
13. **Bottle goats will not go through the Ribbon Auction.**

The same rules required of “Boer/Meat Goats” exhibited at Story County Fair will be required to be followed for exhibitors of bottle/newborn goats, which include:

- A. Goats must be clipped before arriving Saturday morning with the dairy and boer/meat goats. Bottle goats should be fitted to the same rules as the “Boer/Meat Goats”.
- B. A veterinarian, just like all livestock to be shown at the county fair, will check the goats. All goats must be free of any contagious or infectious conditions.
- C. All does to be exhibited must have the official Scrapie Flock ID tags from the state. **(1-866-873-2724)** Wethers do not need the official Flock ID tag.
