1. Entries are open to Dairy goats, Pygmy, and Angora/Cashmere goats and all other specialty goats that have been enrolled as 2021 Story County Goat projects by May 15. **They must be identified with a tattoo or tag in the <https://v2.4honline.com/> database by 4-H'ers as a dairy goat and FFA members must provide information to the Agricultural Education Instructor and the Fair Operations Manager by May 15.**
2. **EXHIBITORS WITH A GOAT EXHIBIT MUST BE YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA) CERTIFIED by June 15, 2021. No FSQA will be accepted.**
3. Each exhibitor may show 2 entries in each class but no more than 6 animals in the goat show.
4. **Dairy goats must be milked out by 6:00 p.m. the night before the show. The Goat Superintendent will supervise the pre-show milk out. The exhibitor must present their goats to the superintendent at this time or be ineligible for the show.**
5. Dairy Does must be dehorned and must be shown with a collar or chain.
 - a. Dairy Wether goats do not need to be dehorned.
 - b. Other Specialty Goats do not need to be dehorned.
 - c. Angora/Cashmere goats do not need to be dehorned.
6. Goats shown in the Pygmy and Angora/Cashmere do not have to be de-horned and may be shown on a leash.
7. Junior Doe is a doe under 24 months of age that is not in milk and has never freshened. Senior Doe is a doe in milk or is over the age of 2. Senior does need to be in milk to qualify for champion milker.
8. Dairy Wether Class:
 - a. Dairy Wether goats must be castrated male goats born between January 1 and through May 15, 2020.
 - b. Pygmy goats may not be entered in the meat goat department.
 - c. Dairy wethers are 100% dairy, percentage wether has a dairy mother.

 - a. Mother-Daughter – Doe and her daughter; Daughter may be a kid or a milker.
 - b. Exhibitors Trio – 3 does owned by exhibitor – at least one of the animals must have been bred by the exhibitor (family or farm) – goats may be any age.

1. It is expected that pens will be cleaned by 7:30 a.m. and 8:00 p.m. each day of exhibition. Poor herdsmanship may disqualify an exhibitor from showing. If an exhibitor is warned twice, then the superintendents have the right to disqualify the exhibitor and require the exhibitor to take their goat's home immediately. Exhibitors will lose any premium money awarded after the fair.
2. No painting, dyeing and use of color agents on animals is allowed except for horses. Exhibitors can use colored grooming aids on hooves only. All first and second place animals will be wiped down except horses. Any evidence of coloring, painting or dyeing the animal will result in disqualification, loss of premium for that animal, and not participate in the ribbon auction with that animal if the animal was previously eligible.
3. Dairy Goat show dress code is white pants and a 4-H or FFA shirt or a plain white shirt. The dress code for individuals showing specialty goats is long pants and a 4-H or FFA shirt. If showing both specialty and dairy goats, white pants and a 4-H or FFA shirt is required. Closed toe shoes only.

4. Ribbons, Rosettes, and Trophies will be awarded. Each division will choose a Champion and Reserve Champion animal, with the exception of the Milking Group Classes. These animals will be brought back into the show ring for the selection of the Supreme Champion Goat/Best in Show.
