

EXHIBIT ENTRY AND CONFERENCE JUDGING

Since exhibitors have the opportunity to be conference judged, it is important to check in at the **selected** time to maintain the schedule throughout the day. Those interested in non-conference judging may set-up a time to drop off their exhibits with the Extension CYC from Wednesday July 14, 2021 to Friday July 16, 2021.

SUNDAY, JULY 18 Community Building, Christy 4-H Hall

Location of Exhibit Judging

Christy 4-H Hall: Home Improvement, Agriculture & Natural Resources, Food and Nutrition, and Science, Engineering, and Technology exhibits enter through the west facing black doors.

Community Building: Personal Development and Photography exhibits enter **upstairs**. Visual arts and Family and Consumer Sciences exhibits enter **downstairs**.

No exhibits will be allowed to check-in after 4:00 p.m. in either building. Allow time to check in exhibits in both buildings before 4:00 pm.

Exhibit Judging Schedule

At the time of exhibit entry (online), there will be an option to choose a judging time for **each exhibit entry**. If no timeslot is chosen, it will be assumed that the 4-H member is choosing to be judged non-conference. Please make note of your selected time. If you arrive for conference judging outside of your selected time, you will be asked to wait until all exhibitors from the current time slot have been served.

LOCATION OF EXHIBITS ON DISPLAY

Community Building: Flowers and Vegetables, Large outdoor exhibits, Tractors, Small Engines, and Large Equipment (North Yard), and 4-Hers in Action entries.

Christy 4-H Hall: Clover Kids, All Family and Consumer Sciences, Personal Development, Food & Nutrition, Music, Visual Arts, Ag & Natural Resources, Home Improvement, Photography, Science, Engineering & Technology.

All exhibits will be released at 3:30 pm on Sunday, July 25
