

Horse Trailer Reservation

Due to the limited parking spaces near the horse barns and in the interest of the efficient use of that space, horse trailers that will be parked and left in the same space for the entire fair will be assigned a parking space. The space will be reserved in advance. There will be a \$10.00 fee for a reserved space. Horse trailer parking spaces will be marked off. They will be assigned based on the trailer size, and the location of your horse(s) stalls during the fair. A reserved sign with your name will be placed at your reserved trailer parking location. The first 22 paid requests for reserved horse trailer parking spaces will have spaces near the barns. All other trailers will need to park in the other designated horse trailer parking areas. Trailers that park in the parking spaces near the barns without a paid reservation will need to be moved.

Trailer Parking Reservation Form - To reserve a parking space near the barn for your horse trailer during the fair. This is only for horse trailers that are staying parked in the same place for the entire fair. Trailers cannot leave and return to fair.
