Judges may want to further review an exhibit after the initial conference judging experience so an orange dot may be placed on an exhibit tag. If an exhibit from a 4-H'er (in grades 5-12) receives an orange dot, then the exhibit is being considered for: blue, purple, alternate state fair, or State Fair. 4th grade exhibits can also receive an orange dot and be considered for: blue, purple, Top Award. The highest placing ribbon for FFA is purple.

Static Exhibits

Static General Exhibit Rules

1. Exhibitors are limited to 10 entries per class. Each exhibit should show different learning.
2. Exhibitors are responsible for submitting their fair entries in <http://storyia.fairentry.com> by **June 15** and checking exhibits in on the appropriate day. Fair entry paper worksheets are available at the Extension office, and at www.storycountyfair.com . ***Note:** You must enter a class for each exhibit you plan to bring (i.e. 10 photographs would require 10 entries in FairEntry)
3. Exhibitors are encouraged to participate in conference judging of their exhibits on judging day. A judging conference is an educational tool designed to help exhibitors improve their skills and gain understanding in the project. Only exhibitors are allowed at the Conference Table with the judge during the judging time. Exception to accommodate a special need. Non-conference judged exhibits receive written judge's comments.
4. As entries are made and at check-in, families may request an accommodation for a special need to make the conference judging experience rewarding.
5. Pick up exhibit entry tags during exhibit check-in process. Attach the entry tag securely to the exhibit. **All exhibit pieces must be labeled and connected with string prior to checking an exhibit in for the conference judging experience.**
6. An eligible 4-H member may have up to a combined total of 4 exhibits for State Fair 4-H exhibition with a limit of 2 exhibits per division. The communication contest event has a separate State Fair selection process.
7. In keeping with the "family values" of this youth fair, exhibits should not contain the following: nudity, promotion of illegal drugs, weapons, alcohol or cigarettes. Any exhibits that contain the above will be disqualified by that department superintendent.
8. If an exhibit includes a pair of items (2 earrings, 2 shoes, etc.), then the exhibit must be displayed with only 1 item from the pair.
9. School assignments may become exhibits if a 4-H goal has been determined. What do you want to learn about the experience/project that is beyond the required assignment?
Example A: class assignment is to write an essay about the environment; 4-H goal – I want to inform people about the value of wind energy in Story County by March 1.
Example B: class assignment is to draw the items in front of you; 4-H goal – I want to learn how to make the items look 3-dimensional

Your exhibit goal determines which class to enter your exhibit! Remember what classes you entered (write them down, or print off). When you check-in your exhibit, the class name on the entry tag must match the class name entered by June 15! If it does not, the exhibit may be disqualified, not evaluated, and sent home with you.

Static Exhibits Clover Kids

To participate, Clover Kids must be enrolled as a member in 4HOnline (ia.4honline.com) by May 15 and make entries in FairEntry <http://storyia.fairentry.com> by June 15

Class

Display Exhibit – Talk with a caring adult in Christy 4-H Hall about 1 to 4 exhibits you made during the program year. All exhibits will receive a participation ribbon and kept on display throughout fair week and release Wednesday afternoon.

Third graders will attach a write-up to each exhibit answer the following questions:

What was your exhibit goal(s)? (What did you want to learn to do?)

What steps did you take to learn or do this?

What were the most important things you learned?

Clover Kid Show and Tell – Pick your favorite exhibit you brought to fair and tell other Clover Kids and their families about it on Sunday during county fair.

Static General Exhibit Rules to qualify for State Fair

1. 4-H'ers who have completed 5th grade through 12th grade (or that equivalent.) in 2017 are eligible to exhibit at the Iowa State Fair. Exception: Group exhibits from an entire club may include 4th grade members.
2. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H'ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
3. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa. See also *"4-H Department General Rules and Regulations"*.
4. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.
5. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.
6. If the exhibitor chooses a display to illustrate what was learned:
 - Posters may not exceed 24" x 36" in size.
 - Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48" x 48" in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
 - Display boxes may not exceed 28" x 22" in height or width and 12" in depth.
7. Endangered and threatened plants and animals (includes insects), or songbird feathers and nests may NOT be used in any exhibit.
8. **Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H'ers.)**
County note: Exhibits without copyright information (if needed) at time of judging will not be considered for a higher ribbon placing. (See also special rules for Visual Arts and general copyright information for 4-H'ers.)
9. The 4-H'er's goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design.
10. A written explanation, audio recording, or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
 - What did you plan to learn or do? (What was your exhibit goal(s)?)
 - What steps did you take to learn or do this?
 - What were the most important things you learned?
- ***Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.
11. All judges' decisions are final.
12. Each item in an exhibit must be labeled, including the name of the county, exhibit number, and exhibitor's name. All exhibit pieces need to be connected with string. This is required before checking an exhibit in for conference judging experience.
13. Any engine needs to be drained of fuel and run dry before displaying

How to attach the exhibit tag and connect all exhibit pieces

Pick up exhibit entry tags during exhibit check-in process.

- Exhibit tags – think about the best place to attach. Is it to the exhibit or to the exhibit write-up?
- Exhibit tags must be displayed in the upper right hand corner of the photo or to the right of photo (tape string to the back side)
- The photo label form is the only exception of what would not be attached to an exhibit.

Also **each exhibit piece must be attached or connected with a string.** This helps ensure that the write-up and the exhibit piece(s) are together. This makes the process to check-in, display, and check-out exhibits more efficient for families and volunteers. All items must be attached before checking the exhibit in.

Required Exhibit Write-Up

Answering these three questions is required before checking an exhibit in for the county fair conference judging experience.

This required write-up consists of answering three questions on paper for a judge.

1. What was your exhibit goal(s)? (What did you plan to learn or do?)
2. What steps did you take to learn or do this?
3. What were the most important things you learned?

The write-up might be on a notecard, paper in a page protector, or even in a binder.

Optional: may include pictures, resource list, etc.

After fair – you may add your exhibit write-up to your county 4-H project record form as a support piece for your county 4-H project award application.

Elements & Principles of Design in Visual Art, Clothing, and Home Improvement

Judges will want to know how exhibitors incorporated a couple of these into exhibit within the write-up. While the information can be shared with the judge verbally at the county fair, that opportunity is not available at State Fair.

County note: Some classes require an understanding of one or more elements and principles of design in an exhibit.

Elements of Design

Color

Name the colors (hue.)

Are the colors bright or dull (intensity)?

Are the colors light or dark (value)?

How do the colors make you feel?

Why do the colors look good together?

Line

Describe the lines curved, straight, thick thin, bold fine, horizontal, vertical, dotted, zigzag, etc.

Do the lines lead your eye? Explain

Do the lines show direction or outline an object or divide a space? Explain

Do the lines create a mood? Explain

Texture

Describe the texture: smooth, slick, shiny, rough, raised, bumpy, fuzzy, soft, hard, grainy, etc.

Can you feel the texture or is it just visual?

Shape/Form

Shapes are 2-dimensional. Are the shapes geometric or realistic or irregular?

If your design has 3-dimensions it has form; describe the form(s).

Space

Space is the amount of room you have.

Describe the negative space (background)?

Describe the positive space the design

Principles of Design

Balance

Are both sides of the design the same (symmetrical)?

If they are not the same, they are asymmetrical, but do they feel balanced? Why?

Emphasis

What is the first thing you see? Why?

Unity

Why do parts of the design belong together?

Rhythm

What makes your eye move around the design? (Repeating, gradually bigger, alternating, etc.)

Proportion

How does the design fill the space?

How do parts of the design relate to each other?

25.00 Quester 2018 PRESERVATION & RESTORATION AWARD

sponsored: Nevada Questers

The goal of the Quester Preservation/Restoration Awards is to recognize 4-H members who demonstrate the importance of preserving or restoring items for their enjoyment and for future generations. There is not a specific class for this award. The award winner will follow the 4-H guidelines for fair projects and will document the project with a written summary including pictures of the process.

THE QUESTERS is an international organization dedicated to preservation and restoration of our heritage.

Criteria for the award:

1. Quality of workmanship.
2. Quality of the written description and photos

A \$25.00 cash award, certificate of recognition and a special recognition ribbon will be presented.

DIVISION - MUSIC

Evaluated July 13 at the Ames Public Library and displayed in Christy 4-H Hall during the fair.

Class

This class includes photos printed on canvas, fabric, ceramic, etc. As part of an educational display, showing learning about printing techniques, display, merchandising, etc.

DIVISION - VISUAL ARTS

Superintendents: Renae and Stewart Damman

The Visual Arts project does two things for exhibitors. First, it helps them discover their creativity. It also helps them learn and practice skills about how to make pieces of art. Because discovering one's creativity is such an important part of this project, certain exhibits that do not allow creative expression are not shown in this area.

Class

Visual Arts - An exhibit that shows learning through original art, exploration of an art technique, or study of any other visual arts topic.

Visual Arts Special Rules:

1. Exhibits made from kits or preformed molds will not be accepted. Exception: Preformed molds (green ware, white ware) may be used to provide the appropriate surface for a process technique or application of original design.
2. If the exhibit is a finished art object, the source and/or inspiration of the design, design sketches, or other process for creating the object and design must be included.
3. Original works of art must be a creative expression of a design unique to the artist, or represent a significant modification to an existing design to make a new and original statement by the artist.
4. Use of copyrighted or trademarked designs, images, logos, or materials in 4-H visual arts exhibits is prohibited unless written permission has been obtained from the copyright or trademark holder/owner. Exhibition of derivative works created by a 4-H'er is prohibited without the written permission of the original copyright holder/owner. For additional information, see 4-H Exhibit Copyright Information at <http://www.extension.iastate.edu/4hfiles/statefair/SFDocuments/SF1UseofCopyrightVI010401.pdf>

Cost of the outfit must be \$15 or less, not including shoes, accessories, or undergarments. Gifts of clothing, either new or used, are not eligible. The outfit must be selected and modeled by the exhibitor.
2. If the 4-H'er is enrolled in the Clothing Project, the \$15 Challenge outfit may also be exhibited in the Clothing and Fashion Class at the Story County Fair. If selected to advance to the state fair through the \$15 Challenge Event, then the exhibitor cannot have the same clothing article in the Clothing and Fashion Class selected for exhibition at the state fair.
3. 4-H'ers who have completed grades 9 or above are eligible for State Fair.
4. This event gives the exhibitor an opportunity to practice consumer skills in choosing an outfit for:
 - (a) Casual use: Clothes for school or work.
 - (b) Sports or functional use: Clothes that might be chosen for a particular sport, for a special environmental condition, or because of a limiting physical condition.
 - (c) Special Occasion (Dressy) Clothes: Clothing for special events (graduation, prom, wedding, etc.).
 - (d) Clothing is chosen to allow personal expression with some thought of future use.A written explanation on the entry form about the decisions made is an important part of the event.
5. This entry is made **June 1-30** through <http://storyia.fairentry.com> with the \$1.00 entry fee.

6. **A completed script to be read at the style show must be submitted completed and handed to Superintendent on July 14, prior to judging.** Sample/template are also available contact the extension office
7. Exhibitors will complete the event form, available on the Story County Fair website and bring to the judge's evaluation. A picture of the exhibitor in his/her outfit is to be included. Receipts are required.
