UNIVERSITY EXTENSION SYSTEM AND THE COUNTY FAIR

ISU Extension and Outreach-Story County is a client-centered organization that provides research-based, unbiased information and education to help people make better decisions in their personal, community, and professional lives.

The nine Story County Extension Council members are elected at the general election. They are responsible for overseeing the planning and carry out of the Extension program. The Youth Development Committee is appointed by the Extension Council to serve as an overall program development and action committee for all Extension youth programs in Story County.

4-H is an educational program. It is designed to develop living skills and subject matter knowledge in youth. The purpose of the Story County Fair is to provide an exhibit evaluation of projects completed by 4-H members, FFA members, and other youth affiliated with the Story County 4-H Program. This evaluation is designed to reflect the research findings in the various disciplines at Iowa State University. The county fair, therefore, is an educational event conducted to aid youth to develop life skills such as communication, leadership, citizenship and decision-making.
